

Information on the diversity policy within the capital group of Atlas Estates Limited

The capital group of Atlas Estates Limited has not adopted a diversity policy with respect to the Board of Directors and its key managers, however the process of selection of members of the management boards and managers is based on such elements as appropriate education, experience and expertise, as well as, qualifications and competences of candidates and in no way it leads to the disqualification of any candidate due to the above-mentioned elements of diversity policy.
