

# **Atlas Estates let 7000 sq. m of commercial space in Millennium Plaza**

Monday, 4 August, 2014

Atlas Estates has summarized the results of commercial space leases in Millennium Plaza achieved in the first half of 2014. During this period the company signed agreements concerning 7.400 sq. m of premises. The vast majority of the contracts refer to office space and almost half of the space was let to new tenants. The largest new contracts for office space were signed with Soflab Technology and CDM Smith. While other new offices were let to Via Sms and Global Blue, Groupon and The Embassy of Mexico extended their contracts. Smakowisko restaurant in turn joined the group of retail-services space tenants in Millennium Gallery on the lower floors of the building.
